

Dear GSCN members, friends and colleagues,

We hope you are enjoying the summer!

Despite a few unexpected challenges, we are excited to share some great news: the 14th GSCN Conference has found an excellent new home at the Max Delbrück Center in Berlin. We look forward to welcoming you there this September.

14th GSCN Conference 2026

New venue confirmed – registration and abstract submission are open.

[!\[\]\(e3f8612927870f2e0f9f5989e6dd3064_img.jpg\) REGISTER NOW](#)

Computational Workshop

Hands-on training in single-cell analysis on 7–8 September before the conference.

[!\[\]\(faf942dc3e59ce8eb64b4ac481eca7e0_img.jpg\) VIEW PROGRAMME & REGISTER](#)

GSCN Annual Magazine

Discover interviews, scientific features and reports on stem cell research, translation and innovation.

14th GSCN Conference 2026: New venue – same outstanding science

The 14th GSCN Conference will take place from 9–11 September 2026 at the Max Delbrück Center in Berlin.

Join leading scientists from around the world for three days of cutting-edge stem cell research, inspiring discussions and valuable networking opportunities.

Keynote Speakers

• Sergiu Pasca • Janet Rossant • Jason Spence • Takanori Takebe • Paresh Vyas

Highlights

✓ Scientific Sessions, ✓ Interactive Workshops, ✓ Industry Exhibition, ✓ ELSA Symposium,
✓ Non-PI Meeting, ✓ Networking Events

Important: The conference takes place five weeks earlier than in 2025, register now.

Abstract Submission Deadline for Poster: 27 July 2026

Computational Workshop on Single Cell Analysis

Start your conference week with a two-day hands-on workshop on 7–8 September.

Whether you are new to computational biology or already experienced, dedicated beginner and advanced courses provide practical training using the scverse ecosystem.

Topics

• Single-cell RNA sequencing

- Spatial transcriptomics
- Computational analysis workflows

GSCN Annual Magazine 2026

Our latest online magazine is now available.

Read expert interviews and feature stories covering:

- ✓ Next-generation stem cell therapies
 - ✓ Hypoimmune stem cells
 - ✓ Clinical translation
 - ✓ GeneNovate®
 - ✓ Conference Review
 - ✓ HI-STEM Heidelberg
- ...and much more.

GSCN Awards 2026

Help us recognize outstanding scientists by submitting your nominations:

- GSCN Young Investigator Award
- GSCN Hilde Mangold Award
- GSCN Publication of the Year Award

Nomination deadline: 5 July 2026

Awardees will present their research during the Presidential Symposium on 10 Sept. at the GSCN Conference 2026 in Berlin.
