

Dear GSCN members, friends, and colleagues

July 2025

We have extended deadlines for several opportunities around the upcoming **13th GSCN Conference** (15 – 17 Oct. 2025 in Munich), including **abstract submission for oral presentations, travel awards,** and the GSCN Mentoring Program. Don't miss your chance to participate!

1. **GSCN Conference: Extended Deadline: 21 July 2025. Submit your abstract for an oral presentation and get your early bird ticket by 21 July 2025!**
2. **Extended Application Deadline – GSCN Mentoring Program – 21 July 2025**
3. **GSCN Annual Magazine 2024/25 – Now Online: “Aging & Cancer”**

1. GSCN Conference: Extended Deadline: 21 July 2025. Submit your abstract for an oral presentation and get your early bird ticket by 21 July 2025!

Take advantage of the extended deadline to save on registration and secure your spot in the scientific program.

Register and submit your abstract here: → <https://gscn-conferences.org/gscn-conference-2025/registration-abstracts-2025>

Here is the link to the program and the registration: → gscn-conferences.org/gscn-conference-2025

Apply for a GSCN Travel Award by the same deadline – **21 July 2025** – and receive support for your trip and stay in Munich. All details are available here: → <https://gscn-conferences.org/gscn-conference-2025/gscn-awards-2025>

2. Extended Application Deadline – GSCN Mentoring Program – 21 July 2025

Are you looking for guidance in your scientific career? Apply to the [GSCN Mentoring Program](#) to be matched with an experienced mentor who can offer advice and support on career development and beyond.

The deadline has been extended to 21 July – take your chance!

3. GSCN Annual Magazine 2024/25 -Now online: “Aging & Cancer”

The new GSCN Annual Magazine is available online! This year the GSCN has just sent hard copies to the GSCN Members and special friends who requested a hard copy. You can go online to check out the many articles and news.

The topics are: “Stem cells: Aging & Cancer” with the content:

- When stem cells age: Ways to rejuvenate
- Stem cells and blood cancer: Order in chaos
- Stem cells and tumors: Strategies against the master of metamorphosis
- GCT: Autoimmune disease successfully treated with CAR-T cells
- GCT: Master plan to bring innovations to patients faster
- BIH: BeCAT - Interview with Annette Künkele-Langer
- Institute portrait: Hannover Medical School (MHH)

Read it online ↓ [here](#) (with download link).

Read the German version ↓ [here](#) (with download link).

Stay tuned with the GSCN with our newsletter, the website (www.gscn.org), [Bluesky](#) and on [LinkedIn](#).

Best wishes,

The GSCN Team
