1) Extended Deadline for abstract submission: 16 July 2021

The GSCN is preparing for the GSCN Conference in Ulm (6 – 8 Oct. 2021) and we hope that you are about to register for the conference and submit an abstract. The GSCN will for our common advantage not accept payments until 26 July. That is the decision date for the format of the conference. Nonetheless we encourage you to register as soon as possible. The more interesting abstracts are submitted, the better is the quality of the conference – it is up to us! We promise to be very accommodating about Corona-related cancellations at any time.

The new extended deadline for early bird registration, abstract submission to be considered for oral presentation and GSCN travel awards for 9th GSCN Conference in Ulm (6 - 8 Oct. 2021) is 16 July 2021.

Register along with your registration to the ➤ [9th GSCN Conference](#). The GSCN is grateful to this year's organizers of the Non-PI-Meeting: Verena Börger (Essen), Germán Camargo Ortega (Basel), Mona Vogel (Ulm) and Meike Hohwieler (Ulm). The GSCN will cover the costs for an extra night as well as a dinner on 5 Oct. in Ulm. If you have any questions, please contact the ➤ [GSCN central office](#).

4) Relaunch GSCN Website

The GSCN website ➤ www.gscn.org has a new look, a new structure and best of all: The website is finally adaptable to the size of any device. Take a look and if you have a comment or a suggestion for improvement, please drop a line to the [GSCN office](#).

5) GSCN at the ISSCR Meeting

The GSCN and the BIH (Dialog Platform Stem Cell Research) are quite visible at the ongoing ISSCR Meeting (21 – 26 June): We organized two lectures by Hans Schöler (24 June) and Simon Haas (25 June), we united 15 European Stem Cell Networks to show their work at the Booth of European Network of Networks and we offer a GSCN conversation corner on 24 June from 1pm to 1:30 pm. Please join us and meet up!

PLUS: Instead of a GSCN Wunderbar Event, the GSCN offers an online Escape Game ("to save the world and a scientist") for teams up to 5 persons – it's a fun game (we tested it!). It is played together as a team of 5 via Zoom and will be a fun experience. Just write to GSCN office and ask for the tickets – and if you are not a team, please ask to be matched with others.

If you don't want to receive emails anymore, please send message with "unsubscribe" in the subject line to gscn.office@mdc-berlin.de.
